Everyone should have the right to freedom of speech, including hate speech! By protesting, citizens can tell the authorities what we want!

The First Amendment allows people free speech and to peacefully protest - so give people the right to free speech, just stop the violence.

Free speech is so important! Without it, women still wouldn't be allowed to vote right now! Don't understand why people say to limit it...

Blackmail and making threats etc. are already limitations in terms of free speech, so why are people still saying to limit free speech?

At least 24 injured, and 1 dead! C'mon people! Do something to limit hate speech, because it will always go back to violence! #StopViolence

My daughter died because when neo-Nazis protested, it led to violence. Put a limit on free speech and ban hate speech!

Ban hate speech! It is so offensive to people who are considered different, and it's something we're trying to avoid in the 21st century!

If the First Amendment doesn't protect speech when you incite violence, why are people still getting away with it when they protest?

Free speech needs to be limited! College campuses shouldn't be a place where there is racism and bigotry. Colleges are a place to learn!
